

## **Hooters National Hooky Day**

### **Offer Restrictions & Disclaimers**

#### **Doctor's Note:**

Please note that Nurse Ashleigh is not actually a real registered nurse, although she does play one on TV. However, if you have an actual fever or feel physically ill in any way, we suggest you consult a real nurse or visit your doctor.

If you present our Doctor's Note from Nurse Ashleigh to your HR department, boss or manager as an actual excuse to stay out of work, we'd also suggest you start looking for a new job too.
